It's a whole new year and we are very excited to bring you our first issue of 2017!

Karlee Grey has got to be one of the finest submissive models to ever grace our cover. Every curve on her luscious body quivers with delight with each stroke of the paddle. Yum! You could just eat her up.

Then there's Kinsley. Such a sweet suffering tartlet. Her unreal pink just gets wetter and wetter as she endures tight rope and hard punishment in the deviant hands of Lightworship.

Boy/girl is back with Aly and Keni. Another young learner does everything to please her disciplinarian. She gets what she deserves in the end, that's for sure.

We visit DomCon LA for a glimpse of this year's beautiful dommes.

Of course there's pissing, double penetration, spanking, bondage and more throbbing flesh that you've come to expect from America's best fetish magazine. Enjoy!

"Driving the 10 freeway all day in my Cadillac, I finally see L.A. on the horizon. I've had to piss since I left Phoenix, but I like the challenge a full bladder gives me. I step out onto the sizzling asphalt and gasp as the hot piss bursts out of my urethra. I turn and pull my asshole wide and let out another gusher. I close my eyes and exhale as relief comes over my whole body. I love to pee, especially outside. It is so freeing and natural." —*Scar*

When did you start fetish modeling and under what circumstances?
I've always been open to fetish. I like kink.com; I like bondage and rough stuff. I'm open to different things. I did foot fetish. I love doing foot stuff.

Foot torture?
I've never heard of *that*, LOL!

Like, getting your foot poked with pins . . . or something like that?
LOL, sure! I love my toes getting sucked on.

Would you ever do foot tickling?
No, I don't think I could do that because I would kill somebody. You would have to strap me down—arms, legs, hips. My feet are *very* ticklish. But I can warm up to other stuff!

What fetishes have you done in your life aside from porn?
I've done handcuffs and rough sex.

Why did you want to shoot for TABOO?
I'm an open-minded person, open to a lot of stuff.

Have you ever been spanked?
Yes! I love it!

What's the wildest thing you've ever done on or off set?
Off set, I've had sex for very long periods of time that are not normal, and masturbation too...mainly masturbation. I've done a lot of wild things on set...I've licked a guy's ass. All that stuff is normal now, but there's a lot of stuff! I just can't think of them all right now.

Do you like dominating guys or do you like being dominated?
I like both. I feel like I'm more dominant toward girls, but I can dominate anybody.

Have you ever been pissed on or pissed on someone?
I pissed on the floor, and I think I pissed on someone by accident. I've been squirted on, but I've never really done piss stuff.

What do you think about anal?
I think I need more practice, but I love it! I want to do more and get more experience with that.

Are you more interested in the art of fetish modeling or the sex of fetish porn or both?
I'm fascinated by the art, but I also get off on the sexual part of it.

Is there anything else you'd like the TABOO readers to know about you?
I actually did a fetish network thing where I did a hostel movie, where I was tied up in a chair.

Did you get kidnapped and bound in the hostel movie?
They picked me up in a car, and I needed a place to stay, and then they took me to this hostel place. I checked in, and I had to do papers for the guests.

They pimped you out?
No, they checked in to their room, and then I walked back and they tied me to a chair. They shoved pillows down my throat, and I didn't complain the whole day 'cause I can take a lot. I can't wait for it to come out!

Are you in a fetish lifestyle partnership?
My sexual partner now is into really rough sex. He's rough on me, so I just take it.

Do you enjoy it?
Yes.

This event has everything you ever wanted to know about BDSM from professionals and lifestylers alike. Most every fetish is explored through education, seminars, parties and just hanging out. The most difficult decision was choosing which of the excellent seminars to attend, as many ran simultaneously. As always, there's the daily bazaar to buy new toys. This is a great place for newcomers to get oriented and for the experienced to meet up and have a grand time. Thank you, Mistress Cyan, for another successful, fabulous soiree!

Have you done fetish modeling before?
Yes, I have done. I think I'm going to be a lot happier with these photos instead, because the other photos I did are a lot more amateur. I like the way you guys style your photos. You guys get creative as you go, too.

Do you have an interest in fetish in your private life?
I do, but I don't really associate myself with anybody that does these kinds of things as well. I wish I did. I guess I need to experience more people like this, because I do like being a sub and having a Dom and having that experience on camera, but in my private life I don't experience it much.

Perhaps it's something to be explored?
Yeah, there's definitely a lot of things to explore, but I wish that the outside world would explore with me, because I feel I can only do this in the adult industry. We're all very comfortable and we all know everything about it and we're all fine with it, but once I go into the outside world I don't feel like everybody is as experienced as we are. It's kind of safe doing it this way and I love that.

Have you ever been spanked before?
Yes, I've been spanked many times. I love it because I know that there's a reward coming after it, and I love the reward that I get after being spanked!

What's the reward?
Getting fucked! Whoever is spanking me is going to please me as well. Spanks are kind of a way to please me instead of reprimanding me, LOL!

Have you ever been pissed on or pissed on someone?
I have been pissed on plenty of times, and I have pissed on other people. I like the whole pissing idea, LOL! I like anything that's wrong, and I think pissing on people *is* kinda wrong. It excites me! Let's do it! Let's piss everywhere!

What do you think about anal sex? Is it in your future?
It is in my future; I just haven't experienced it as much as I wish I could. I actually haven't experienced it at all! I guess it just hasn't been the right person or the right time, but it's definitely in my near future.

I noticed that you have some very attractive and unusual tattoos. Tell us about them.
Sure! These two on my ankle, they're the sun and the moon. There's no reasoning behind it; I just really like the sun and the moon, LOL! I have a quote here that says, "I'm not happy and I'm not sad." They're Morrissey lyrics. I have a really stupid gun here that I really don't like; it's the only one that I regret getting. I have finger tattoos. I have "behave" tattooed on my middle finger because *fuck behaving!* I have my stage name initials here with a broken heart because my best friend has the same initials and she's in the industry too. I have a lot. I like tattoos, but I haven't gotten any since I started working in the industry because the industry can be skeptical about tattoos. But if I could be all tatted I would have been before I got into the industry.

What is the wildest thing you've ever done on set or in front of a camera?
I think it probably has to do with pissing 'cause I don't know what "wild" means anymore. I don't know what extent that goes to. I never thought I would involve myself with pissing until someone asked to pee in my mouth. I let them do it; it seemed so wrong. That is why I liked it. I think that was the wildest on camera. Off camera someone wanted to pee all over me and I let them. They peed all over! My hair was soaked…on my face and on my tits and pussy. Like I said, everywhere! Basically, I got a full-on, warm golden shower!

What is your wildest fantasy?
I'm not sure about that one yet. I want to keep experiencing things, so I will figure that out. I don't have much of a wild fantasy right now. So I think my fantasy is to have a bigger fantasy, LOL! The biggest fantasy!

Would you consider yourself more dominant or submissive?
I definitely like being a submissive more, but this is the first time I even expressed any kind of dominant part of me. It was very interesting.

Did you enjoy the dominant shots we did?
Yes. I'm very dominant outside of bed. I have a strong personality, so that was pretty cool that I got to express that. I always thought that, when I'm in bed, I'm always pleasing people, and I couldn't picture myself dominant. But as I was talking and experiencing that, I thought, *Oh, I think I can do this.*

We look forward to seeing those dominant shots in a future issue of TABOO.
Oh, yeah, me too! That'll be cool!

Would you rather your partner be a submissive or a dominant?
Right now I would like them to be dominant. I like them to take control of me totally in bed!

ANAL ADVISOR

BY TRISTAN TAORMINO

PHOTOS BY DDF

Dear Anal Advisor,

I'm a 29-year-old straight guy who recently ended a long relationship. Like most folks, I have my fetishes and my turn-ons. My favorite sexual activities are eating and/or fucking a girl's ass. It took some time to get my ex-girlfriend comfortable with ass play, but eventually, she got so into it that it became routine. I'm writing you because I want to know how I go about bringing up my love for the butt without turning off a potential partner. I know that lots of women like having their asses played with, but they seem reluctant to talk about it, and so am I. Still, it's pretty important to me to have a willing anal partner, and while I wouldn't approach a woman with licking her asshole as an ultimate goal, I would want to know that she wasn't completely opposed to the idea before getting too involved. How do I raise this topic early into getting to know someone.

—Wanting to Ease In

Dear Wanting:

I think it's a good thing for people to know what they want and value in relationships and to communicate those wants to potential partners. Don't feel bad about your desires or your choice to prioritize them. Sex is an important part of a relationship and, for some people, specific sexual activities need to be a shared passion between both people if it's going to work out. Everyone has a unique communication style, but I recommend you be as direct as you can be with potential partners, and the earlier the better. No one teaches us how to talk about sex or negotiate for what we want, so it's not surprising that you feel a little lost about how to bring up the topic in an appropriate way. Just as you might strike up a conversation with dates about your hobbies, goals, likes and dislikes, make sex a topic for conversation. Talk about what you like, what you've done in the past, and what turns you on. Sexuality is an important piece of the puzzle in any serious relationship and both people should be willing to examine it, even if doing so feels awkward at first. Also, be open to listening to how women talk about their sexuality, and realize you may not find someone who is as experienced as you are. That shouldn't be a deal-breaker as long as she's open to exploring some anal pleasure with you.

How did you come up with that stage name?
Oh, the way I came up with it, I think, is very cool. I Googled a bunch of names and I made two lists, and I paired up each name in different orders until I found two that sounded good together.

What kind of names did you Google?
Girl baby names.

When did you start fetish modeling?
My first time doing it was super fun, but it wasn't like today's shoot though. It was a kidnapping-type scene, and I was the kidnap victim. I went to my friend's house so that she could help me, 'cause I thought her dad would be home, but he wasn't. So then *she* got kidnapped too, and we got tied up together and forced to masturbate.

Have you done bondage in your personal life?
Yes.

Who was tying you up?
My fuck buddy, LOL.

Would he fuck you after he tied you up?
Yes, and he would also use my vibrator on me, which was fucking amazing. It was like the best time I ever orgasmed in my entire life is when he tied me up.

Did you like it so much that you tried it with other people?
I tried it with one other person with handkerchiefs, and that was really fun. We didn't use a vibrator, but it was still great! There's something weird about it that makes it great.

What other fetishes do you have?
I love dressing-up fetishes. Recently I dressed up as a schoolgirl. So, first it was thigh-high stockings with pink panties and a choker. After that outfit, we took a little break and I dressed up as a schoolgirl with these really cute fluffy socks on, and then I had a pink butt plug in and it was amazing! I loved it! I wish I could *live* with my butt plug in. It's so cute! I actually have it with me now, LOL. I bring it everywhere.

Why did you want to shoot for TABOO?
I was actually really excited to shoot! I love bondage and I felt like it would be a pretty interesting shoot. Plus I've seen TABOO before and I was like, *OMG! I really want to work for them someday!*

What is the wildest thing you have ever done on or off set?
For on set my first time ever doing a boy/girl scene was actually a DP, so it was literally *two* boys.

Wow, that's impressive!
Yeah, it was fun and interesting. It was a really cool feeling.

How did it feel?
It's kind of hard to explain 'cause there are so many feelings that you don't know which one to focus on. But I think I focused more on my butt.

Did the guys have big cocks?
Yes, they had really big cocks!

Have you ever pissed on someone or had someone piss on you?
When I was little, I got peed on by my brother by accident. He used to have nightmares and he would come sleep with me, and every time I woke up in the morning, there was a big puddle of pee on my leg.

What did you think about doing your pee shot today?
It was surprisingly pretty comfortable, except for the sound and missing the bowl. I had to pee *so* bad!

But you wanted everybody to leave the room because you were worried you were going to have stage fright. Talk about that a little more . . . did you have stage fright?
Yes, if they were all in here it would have taken me longer to pee, or I would have missed the bowl completely! It's like when you're peeing and you get nervous and then you stop and then you keep going and then you stop and go again. I guess that's a girl thing.

What do you think about anal?
I love anal!

How did you find out that you loved anal?
Doing it in my personal life. Actually, my first time losing my virginity was also my first time doing anal! I go all in…go big or go home, LOL!

How did that happen? Did he put it in your pussy and then say, hey, I got an idea! Let's also put it in your ass?
Yeah, that's really exactly how it went, LOL! He was like, Can we try anal? And I was like, I've never done it before. And he was like, It's okay; it won't hurt that bad. Really. I promise!

Did it hurt?
Surprisingly, not really. It hurt going in, but after it was in it was great.

Do you like for your fans to reach out to you on Twitter?
Yeah, I love it! And I love when they send me fan mail through my Gmail!

Do you ever get any wacky requests from fans on Twitter?
Yes. I've been asked to send them pictures of me licking my feet or sucking on my toes.

What else do they ask you to do?
Choke or gag myself with my underwear.

ALY AND KENI

PHOTOGRAPHER
ANDRE BAYLOCK

The rigid posture collar Aly hates holds her head level with my rigid cock. Chained on the hard block, she looks up at me so I can enjoy her suffering. I grab a wad of her hair, choke-fucking her. She gags and retches, but keeps her spine straight. Aly rightly takes pride in her service. She earns the reward of my tongue on her pussy and ass, her moans echoing in the bare, concrete space where we meet for her training sessions. She's already wet enough for easy entry from behind. I let her rock herself to the edge, but deny her permission to come. Too easy. Balanced on one leg, the other hoisted with a wrist above her, Aly grabs my cock with her free hand and begs. I step into her. Her weight falls against me. Aly's a good kisser, too, especially when she's needy.

Released, she's more than eager to please, slithering up my chest, turning and bending to impale herself, grinding her wet butt in slow circles until I can't keep from picking her up and pounding her pussy in midair. And Aly can't help the orgasm that overwhelms her self-control. Back on the floor, her face a vulnerable target held in place by the unyielding leather around her neck, she gets a good, hard slapping. Nose pinched shut, she swallows as much as she can before her gag reflex splatters my seed all over her face and chest. I leave her kneeling, head up, eyes down, sticky with shame.

It's not about what Aly likes, and we both prefer it that way.

IN THE NEXT ISSUE OF HUSTLER'S TABOO®

Master lensman Ken Marcus returns next month to share a pair of new vixens, Natasha and Rebel, who stopped by his Hollywood studio. These girls have competitive submission on their minds and they find just the right person to be the judge.

The beautiful April Flores will be in the lineup. She directs her sweet, young sub Milcah through some strict paces. Expect some smothering, face-sitting and foot worship extrordinaire! Ooh la la!

Plus, lots of golden liquid, more ass whipping, rope bondage and XXX BDSM video reviews.

See you next time. Until then, work hard, play harder.
